③ 편집할 영상 체크 후 스토리보드로 드래그

The screenshot displays a video editing software interface. At the top, a dark green header contains the text '③ 편집할 영상 체크 후 스토리보드로 드래그'. Below this, the main workspace is divided into several sections. On the left, a '프로젝트 라이브러리' (Project Library) panel shows two video thumbnails. Each thumbnail has a blue checkmark in its top right corner, and these checkmarks are highlighted with red boxes. A large red arrow points downwards from these checkmarks towards the '스토리보드' (Storyboard) panel at the bottom. The '스토리보드' panel, also outlined in red, shows two video clips on a timeline. The first clip is labeled '28.82' and the second is labeled '25.24'. Below the storyboard, the text '드래그 하여 영상 순서 변경 가능' (Can change video order by dragging) is displayed. The right side of the interface features a large black video preview window and a playback control bar at the bottom with a progress indicator set to 0:00.00. The top navigation bar includes icons for undo, redo, background music, user-defined audio, and video export.
